### Chairman's Corner

As we begin this semester, I am thrilled to get started. Our first meeting will be on Tuesday Jan. 13 at 7:00 p.m. There are several things that are in the works for this semester and we will be discussing many of them at our first meeting!

Three major changes for this semester include moving our meetings to Tuesday evenings, meeting every week, and moving to room LB 112. I, along with the exec board, think that this will help drive membership from other groups, and help everyone develop a routine for our meetings.

I hope that everyone is as excited for this semester as I am, and I am looking forward to getting to know everyone better as we progress through this semester.
